

Valves

Pneumatically Actuated Valves

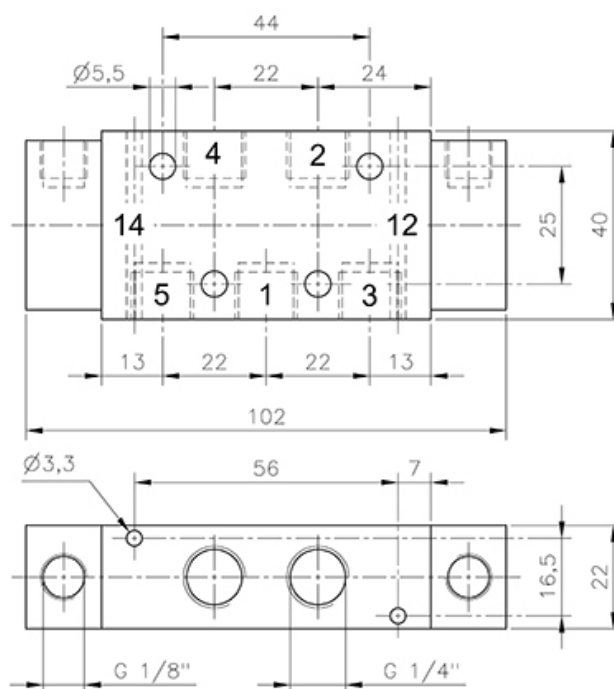

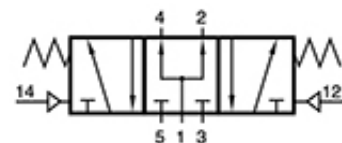

5/3-way valves

G-series | In-line valves / valves for manifolds

P 533 701 G

Pilot actuated valve | spring return to middle position | centre pressurised | G-series

HAFNER

Specifications

Port size	G 1/4"
Air flow	1250 l/min
Operating pressure	1...10 bar
Actuating pressure	3...10 bar
Size of actuation port	G 1/8"
Function	5/3-way Centre pressurized
