

Pneudrain ZLA

Electronic zero air loss drain with alarm function

PRODUCT FEATURES

The Pneudrain ZLA (Compact Solution) removes all types of condensate from compressed air systems up to 100 m³/min. without the loss of compressed air.

The Pneudrain ZLA is very effective and offers a rapid pay-back due to a competitive pricing level, low stocking cost, zero air-loss and energy saving features.

The compact and industrial robust housing design, the 2/2 way direct acting valve with a large orifice, the alarm N/C or N/O and the integrated mesh strainer make the KAPTIV-CS a highly reliable draining solution.

The standard model offers a pressure range of 0 up to 16 bar. For higher pressures we offer the KAPTIV-CS-HP.

COMMERCIAL BENEFITS

- Competitive compact zero air loss draining solution
- Zero air loss technology saves air, energy and money
- Rapid pay-back period due to competitive pricing level and reduced stocking costs
- 1 Model covers up to 100 m³/min. compressor capacity
- No sizing charts required
- Consult us for D-LUX models (a variant that offers extensive programming options)

TECHNICAL ADVANTAGES

- Alarm function (N/O or N/C) standard incorporated
- Digital, LED illuminated sight-port/level indicator
- Successful draining of all types of condensate due to large orifice
- Easy installation and visual display of operating status
- Integrated mesh strainer
- Direct acting valve assembly, ensuring reliable discharge operation

Phone: +31 (0)493 763 993

- Robust corrosion resistant aluminium housing
- Easy and quick to service
