

Nippers Red Rooster

Product description:

Power cutters have simplified cutting and pressing in mass production. Versatile applications of the power cutter by selection of suitable blades, make it possible to increase production.

Working pressure:

4 - 5 bar

ATTENTION:

The cutters are delivered WITHOUT knife. These need to be ordered separately.

RRI-8032	NRR2	75	390

By cutting here you can damage the blade!

Note: Cut the blade at this location. Do not twist the cutting pliers while cutting!
