

Multi 20 water hose

High quality

Suitable for air, water, and various chemicals.

ITEM DESCRIPTION

Material:
Internal: Black EPDM
Reinforcement: Synthetic fibers
External: Black EPDM

Temperature range:
 -30° C to max. 70° C

Working pressure:
 20 bar

Hose length:
 10 and 40 meters

The Multi 20 is a versatile, high-quality multipurpose hose designed for transporting air, water, and various chemicals in industrial environments. Constructed with an EPDM liner and cover, it offers excellent resistance to heat, weathering, and aging, ensuring a long service life. Because it is both flexible and robust, it is a popular choice for demanding tasks in agriculture, construction, and manufacturing.
