

Valves

Valves with NAMUR-Interface

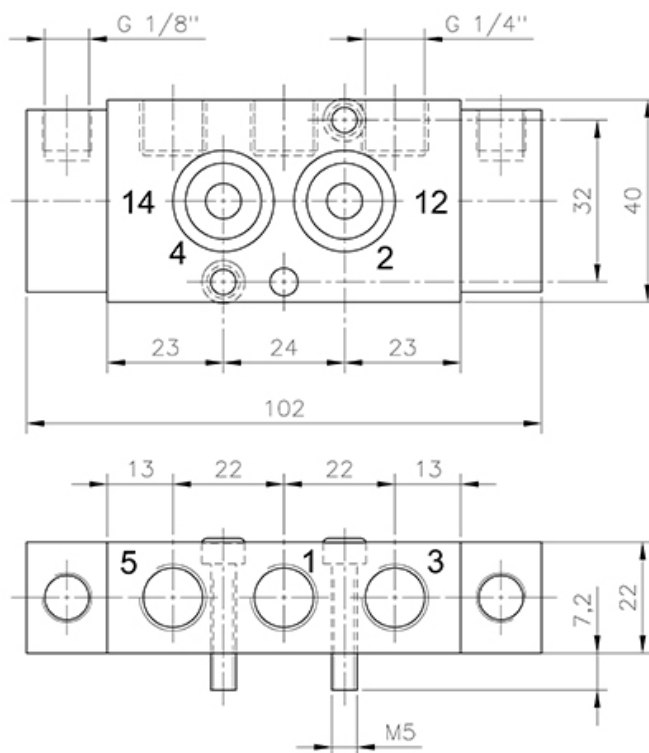

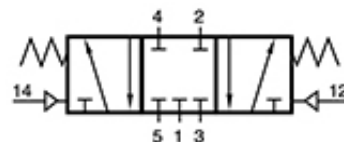

Pneumatically actuated valves

5/3-way valves

PN 531 701

Pilot actuated valve with NAMUR interface | spring return to middle position | centre closed

HAFNER

Specifications

Port size	G 1/4"
Air flow	1250 l/min
Operating pressure	1...10 bar
Actuating pressure	3...10 bar
Size of actuation port	G 1/8"
Funktion	5/3-way centre closed
Interface	NAMUR [1/4"]
