

# Valves

## Pneumatically Actuated Valves

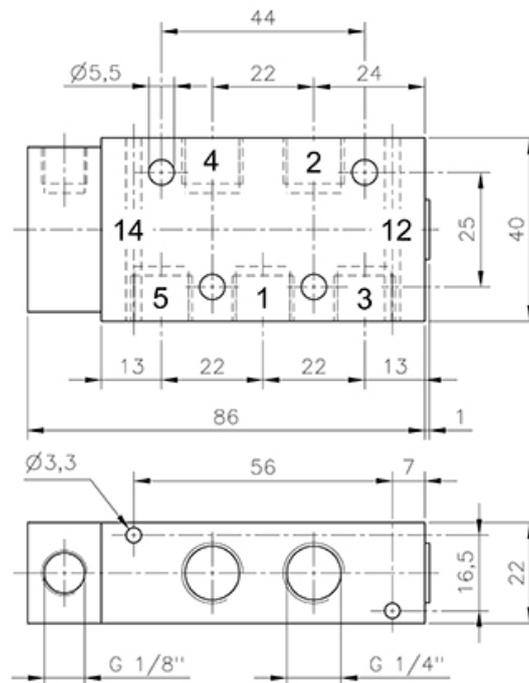

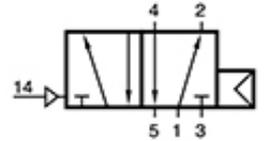

### 5/2-way valves

### G-series | In-line valves / valves for manifolds

### P 510 701 G NPT

Pilot actuated valve | monostable | air spring return | G-series

HAFNER

**Specifications**

Port size	NPT 1/4"
Air flow	1250 l/min
Operating pressure	2...10 bar
Actuating pressure	Same as operating pressure
Size of actuation port	NPT 1/8"
Function	Single pilot
